ISBN 978-0-9871258-6-6, 256 pages

VCE English
Units 3&4
2nd Edition

ISBN 978-0-9871258-5-9, 254 pages

Instructions

1. Print the Order Form (Page 3) and the 'Payment and Delivery Details Form' (Page 4).
2. Fill out the 'Order Form'.
3. Fill out the 'Delivery Details'.
4. Select your payment option for the 'Total Amount':
 - If paying by credit card, make payment online **but still send the forms**. The forms can be sent as a scanned/photographed copy via email to contactme@derrickha.com.au or via post to the postal address below. Email is preferred. During the online payment, please enter the contact details of the credit card owner only.
 - If paying by cheque or money order, please forward forms and payment to the postal address below:

Derrick Ha
PO Box 3350
Wheelers Hill
VIC 3150

**Please note that for copyright reasons, each book will be individually numbered and uniquely identifiable to the purchaser.*

Credit Card/ Paypal

Please make secure payment online at www.derrickha.com.au/bookcreditcard.php .

Name on Credit Card Used for payment _____

Date of Payment ___/___/___

Money Order

Please make money order payable to "Derrick Ha"

Please send all forms and relevant payment to:

Derrick Ha
PO Box 3350
Wheelers Hill
VIC 3150

If paying by credit card, you may instead email the forms to contactme@derrickha.com.au .

Frequently Asked Questions

1. I am ordering only one book. Am I eligible for a cheaper postage rate?

Unfortunately, we cannot offer cheaper postage rates for smaller orders. Postage costs are determined by Australia Post, who charge the same postage fee for one book as they do for 20 books.

2. Am I able to pick-up my order?

Unfortunately, it is not possible to arrange for the pick-up of your order.

3. I am ordering two copies of the English Book, two copies of the Specialist Maths Book and two copies of the Mathematical Methods Book. Since I am purchasing six books in total, am I eligible for the discounted price per book?

Yes, the discounted price is based on the total number of books. It does not matter whether the books are for English, Mathematical Methods, Specialist Mathematics or a mixture of all three.

4. There are more than 20 people in my group and the 'Order Form' only has space for a maximum of 20 people. What should I do?

Please print additional copies of the 'Order Form' so that all of the people in your group can be included – for example, if you have 35 people in your group, then you would print two 'Order Forms'. Only one payment would need to be made for the entire group. The \$15 shipping rate would still apply for the entire order.

5. I have a group of only four people, but one person is ordering two books. Since our group is purchasing five books in total, are we eligible for the discounted price per book?

Yes, the discounted price is based on the total number of books purchased. It does not matter how many people are in your group.

6. Do we make one payment for our entire group or should each person pay individually?

Please make one payment for the entire group.

If you have any other questions, please email contactme@derrickha.com.au .
